Introduction

How I Discovered This Method:

I stumbled across this method while browsing Amazon Lightning Deals one morning.

I noticed people were constantly hunting for discounts, and it hit me: **if I could alert them immediately with a simple, short video, I could capture their clicks through my affiliate links.**

I started experimenting, posting faceless videos showing the hottest deals of the day on Amazon.com.

How I Started Making Money:

I create short, faceless videos alerting viewers to **hot Amazon discounts or Lightning Deals**, and include a **link to an Amazon discounted products page via affiliate program.**

This lets viewers **pick any deal they like**, and I earn **instant commissions** when they purchase.

- First day: I posted 3 Shorts and made **\$75 in a few hours.**
- After a week of consistent posting: one Short earned **\$100 in 20 minutes**, another \$150 in the first half hour.
- Now: even a **brand-new channel with zero subscribers** can generate fast commissions if I catch the deals early and post the videos promptly.

Why This Works:

- People are actively hunting for **Amazon deals** → high click-through
 - Faceless, ultra-short videos → **minimal effort and production**
 - Amazon affiliate program pays commissions instantly after purchase
 - Works even for **new channels or accounts**, no audience needed
 - Giving viewers **choice of deals** increases conversion
-

Step 1. Sign Up for the Amazon Affiliate Program

I joined the **Amazon Associates Program** to earn commissions on any sale generated through my links.

- Go to <https://affiliate-program.amazon.com/>
- Fill in your details, website (can even be a YouTube channel or social media profile), and payment info.
- Once approved, you get your **affiliate ID** to create tracked links.

It's fast, free and approves instantly.

And Amazon loves Youtube traffic.

Step 2. Amazon Page for Daily Discounts and Flash Sales

I use **Amazon Today's Deals** to find trending products that are discounted or in Lightning Deals:

- Link: https://www.amazon.com/gp/goldbox?ref =nav_cs_gb

The screenshot displays the Amazon Today's Deals page. At the top, there are navigation tabs for different categories: Lightning deals, Customers' Most-Loved, Fall Favorites, Halloween, Outlet, Beauty, Fashion, Home, Toys & Games, Electronics, Devices, and Kitchen. Below these tabs, there are several product cards, each featuring a product image, a discount percentage, and a 'Limited time deal' badge. The products include a Samsung Galaxy S25 Ultra smartphone (28% off), a Bissell Little Green Mini Portable Carpet and Upholstery Cleaner (17% off), a Ninja Luxe Café 3-in-1 Espresso, Drip Coffee and Milk Frother (17% off), a DJI Mini 3 (DJI RC) drone (20% off), an ASUS TUF Gaming GeForce RTX™ 5070 Ti 16GB GDDR6X graphics card (15% off), and a Samsung Galaxy Tab A9+ Tablet (32% off). Below the product cards, there are filters for Department, Brands, Customer Reviews, Discount, and Prime Programs. The Department filter is set to 'All'. The Brands filter includes Samsung, Bissell, Ninja, and DJI. The Customer Reviews filter is set to 'All'. The Discount filter is set to '10% - 90%'. The Prime Programs filter is set to 'Prime Exclusive'. The product cards are arranged in a grid, and each card has a 'Limited time deal' badge and a 'See more' link.

This page updates daily with **hot products across all categories**, perfect for quick video content.

As you can see, some products are 50% off.
And there are hundreds of them to choose from!

Step 3. How to Pick a Winning Discounted Product

When selecting products for videos, I look for:

- High discount (20%+ off or Lightning Deal)
- High demand / trending niche (gadgets, kitchen tools, fitness, tech)
- Positive reviews (3.5 stars or higher)
- Fast-moving deals (products with countdown timers or "limited stock")

Tip: Products that solve a problem or are visually appealing work best for Shorts/Reels.

So I chose the Philips 3200 Fully Automatic Espresso Machine.

It fits my criteria:

3.9 Stars review.

50% Off.

Kitchen Tool.

Has a countdown timer inside.

Big price = big affiliate earnings.

Step 4. How to Generate a Script for a Product with ChatGPT

I use ChatGPT to **write a quick 30–60 second script** for my video. Example prompt. Make sure insert the amazon URL for better results:

What's on the agenda today?

Write a 300 word faceless video script promoting an Amazon Lightning Deal product Philips 3200 Series Fully Automatic Espresso Machine.

Include 3 key features, one benefit, and a call-to-action telling viewers to click the affiliate link.

Keep it engaging, short, and suitable for a vertical video.

https://www.amazon.com/Philips-Automatic-Espresso-Machine-LatteGo/dp/B07Vfy4MXM?ref=dlx_prime_dg_dcl_B07Vfy4MXM_dt_sl7_72&pf_rd_r=29FSAZFTGAF9EPTS1AGV&pf_rd_p=766476cb-c227-4761-8957-8aa37fa70372

This gives me a ready-to-use **voiceover script or text captions**:

Here's a concise 200-word review-style version:

The Philips 3200 Series Fully Automatic Espresso Machine makes café-quality coffee at home easier than ever. Right now, it's available in a limited-time Amazon Lightning Deal — perfect for upgrading your daily coffee routine.

Its **intuitive touch display** lets you brew espresso, cappuccino, latte, or americano with a single tap. No complicated buttons, just fast, consistent coffee every time.

The **LatteGo milk system** is a standout. Its two-part, tube-free design froths milk perfectly and cleans in seconds, so you can enjoy creamy lattes without the mess.

The **AquaClean water filter** ensures up to 5,000 cups without descaling, keeping maintenance minimal. Combined with the **100% ceramic grinder**, which delivers precise, consistent grinding, each cup is full of rich aroma and flavor.

The biggest benefit? You get professional-quality drinks at home, fast and hassle-free. No long lines, no overpriced coffees — just your favorite drinks, made exactly how you like them.

Don't miss this Lightning Deal. Click the affiliate link in the description to grab your Philips 3200 Series Fully Automatic Espresso Machine today and start enjoying barista-quality coffee at home every day.

Step 5. How to Screen Record Using ScreenRec (Free)

I use **ScreenRec** to capture product images, pages, or scrolling through deals:

- Download: <https://screenrec.com/>
- Open the program, select **record screen**
- Capture product page, deal highlights, or scrolling animations
- Save recording as MP4 for editing

Tip: Keep recordings short — 30–60 seconds is ideal for Shorts/Reels.

Step 6. Create a voice-over Using AI (ElevenLabs)

I use paid version (\$5/month), because it's that good.

However, if you are good with english and have balls to use your voice, this could double your conversions.

Real human voice converts better.

Now, go to elevenlabs.io and create an account:

Paste your ChatGPT text here.

Choose your Voice on the right and hit Generate speech

The screenshot displays the ElevenLabs Text to Speech interface. On the left, a navigation menu includes options like Home, Voices, Playground, Text to Speech (highlighted), Voice Changer, Sound Effects, Voice Isolator, Products, Studio, Music, Dubbing, Speech to Text, Audio Native, and Productions. The main workspace shows a text input area with a sample paragraph about a Philips 3200 Series Fully Automatic Espresso Machine. Below the text, it indicates 8,086 credits remaining and 957 / 5,000 characters used. A 'Regenerate speech' button is present. The right sidebar contains settings for voice selection (Will), model (Eleven Multilingual v2), speed, stability, similarity, and style exaggeration. A 'Speaker boost' toggle is also visible. The bottom of the interface shows a play button and a progress bar.

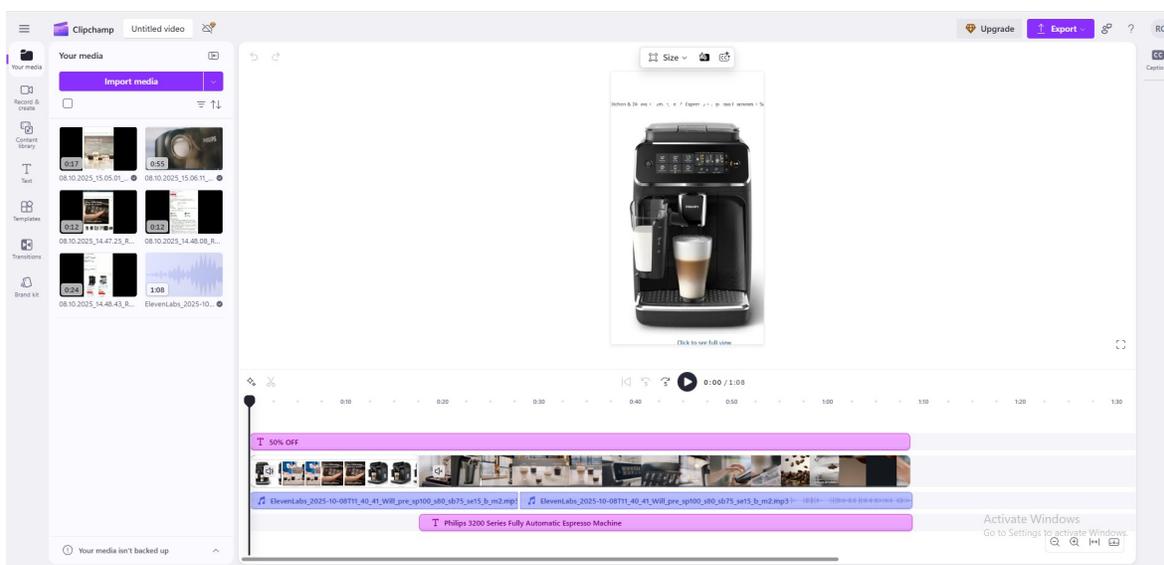

Step 7. How to Put Everything Into ClipChamp by Microsoft and Create a Video

ClipChamp is my go-to for **editing faceless deal videos**:

- Import ScreenRec video into ClipChamp
- Import ElevenLabs audio voice-over into ClipChamp
- Add text captions.
- Export as **vertical video**, under 60 seconds

Tip: Emphasize the discount visually, e.g., text overlay: "50% OFF TODAY ONLY!"

It's a free video editor from Microsoft:

This product had a video, which I screen-recorded for my own video. You can either include a video or just a photo.

Here's the final video we created:

<https://youtube.com/shorts/ZixXEb0S80g>

Make sure you **emphasize the discount (50% OFF)** and **your discount link** (which is your Amazon affiliate link).

Step 8. How to Scale (TikTok, Instagram Reels, Other Languages)

I multiply earnings by **cross-posting**:

- TikTok: vertical video, add link in bio for affiliate page
- Instagram Reels: vertical video, CTA overlay “Link in bio for deals”
- Translate titles and captions to **other languages** for international reach (Spanish, French, German, etc.)
- Post multiple videos per day for compounding revenue
- Monitor which deals perform best and repeat the format

This workflow allows me to **catch trending Amazon deals, create faceless videos quickly, and earn \$100+ in minutes**, all without filming myself.
